

Service with a smile!

Jilly's is a neighborhood bar and restaurant that should be on your Baltimore culinary bucket list. It has been located in the heart of Pikesville since 1985, and it's truly that place where "everybody knows your name." The owners stay attuned to the times with craft beers, moonshine cocktails, and a jamming, value-packed menu. Not only is the shrimp salad excellent — and abundant — but the treatment we've had from these servers rocks! Big parties, separate checks — no problem. Crystal Morris has worked at Jilly's for 13 years and Cearra Boykin close to four years — in today's hospitality industry that is

saying something. Jilly's Bar & Grill hosts many weekly promotions, along with events for holidays, major sports games, community sponsored events, and more. With a 58-inch HD big screen TV, or one of 23 other TVs in the restaurant, it's a great place for a Ravens game!
