AT YOUR SERVICE SINCE 1927

Does your kitchen equipment need an immediate repair? Or ongoing planned maintenance?

For 90 years EMR has provided its customers with quality service and installation on their cooking and refrigeration equipment as well as their hood systems. Whether you need pro-active or emergency service, we'll keep your kitchen equipment running so you can keep your business running and your customers satisfied.

Your partner in commercial kitchen equipment service & installation.

Your source for parts & distribution.
